intermediate]  
School!**

Including this one

# Who are we?

- New Zealand has a Commissioner for Children.
- His name is Dr Russell Wills and his job is to make sure all children in New Zealand are treated well and have their rights met.

- Russell wants children to have a say in things that affect them, and for grown-ups to listen to them.
- One of the ways he does this is to ask children what they think.

**What was the survey about?**

# What is a percentage?

← **This is a whole  
pizza  
It is 100% there!**

← **Half has been eaten.  
There is 50% of the pizza left**

←  **$\frac{1}{4}$  is 25%**

# You can also show a percentage on a graph...

**What did we find out about
